

## The Marie Skłodowska-Curie Actions Staff Exchanges Call for proposals is open!

### What is the “Staff Exchanges” Action?

The [Marie Skłodowska-Curie Actions’ Staff Exchanges \(MSCA SE\)](#) equip researchers and organisations from the academic and private sectors worldwide with advanced skills and cutting-edge innovation capacity.

### What is in it for institutions and seconded staff?

Access to high-level trainings, expert knowledge & innovative research infrastructures

Get support to convert ideas into tangible assets

Connect with your peers to exchange knowledge & build networks worldwide

### Why apply to the MSCA Staff Exchanges Action?

#### You set the priorities

Beneficiaries propose Research & Innovation projects in any scientific discipline; The MSCA Staff Exchanges is a bottom-up Action.

#### The programme is easy to manage (unit cost)

4600 EUR per month implemented by seconded, 2300 EUR for the seconded staff member and 2300 EUR for the organisation.

#### The success rate is high

Up to 40% depending on the discipline.

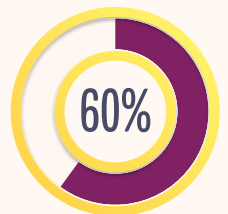

#### 37% of patents in MSCA actions are generated through Staff Exchanges

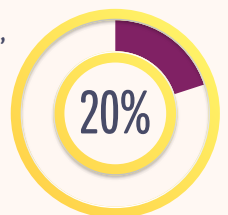

The Action turns ideas into products and innovations.

### Our impact

Over 60% of fellows reported to have improved their **skills and experiences** through participation in the MSCA-RISE action

**Businesses**, including SMEs, are increasingly involved and receive an estimated 20% of the available MSCA funding
