II. Proceed to register for the event

Use the Registration Link OR Access Directly from Your Account

- Fill in the additional event-dedicated fields & agree on the legal notice to get your registration confirmed
- Kindly note: Newcomers' emails take up to 24h to get validated. We recommend subscribing with your professional email domain
- We strongly recommend allowing your details to be visible in the participants' list to benefit from networking and B2B opportunities
- Once your registration is confirmed, the event will appear in your event registrations section

The screenshot shows a user profile for Oksana Klebanovska Demorat, who is a member of Xecs. Below the profile name are three tabs: Network, Inbox, and Projects. The 'Upcoming events' section lists three events:

Event	Date	Registration
Webinar: How to Prepare and Make the Most of Xecs Matchmaking	23 June 2026	See website Registered
Xecs Matchmaking Event – Xecs Call 6	6 October 2026	See website Register
ePicture This 2026	28 October 2026	See website Register

Below the 'Upcoming events' section is the 'My event registrations' section, which is highlighted with a red border. It contains a table with one registration:

Event Name	Date	Unsubscribe
Webinar: How to Prepare and Make the Most of Xecs Matchmaking	23 June 2026	

At the bottom of the 'My event registrations' section is a green button labeled 'Plan meetings'.

Make your presentation visible to other participants?

☒ Enable this option if you want your presentation to be visible to other event participants.

By enabling this option, your presentation will appear in the dedicated list accessible to all event participants.

Note: To make your presentation visible, you must also agree to appear in the list of participants. You can revoke visibility at any time from your account.

NB: Office Team will take time to review your idea before validation; once validated, you'll receive an email notification

IV. Networking Or Meeting Options

What Is the Difference & What to Choose?

- **Networking** option is available for all the participants registered for the AENEAS Events Platform itself, and who **agreed to appear in the lists**
- You can **search for partners** using available filters (participation in the event, organisation type, country)
- You can **message people** directly on the platform

Plan Meetings!

Designed for the face-to-face meetings ahead of a particular event

- Click on the **Plan meetings** button under the event icon
- A list of registered participants will appear, with a possibility to filter or search
- Click on the **Let's Meet** button under the name of a participant
- A new window will open with possible time slots and meeting points; choose the option, write a short message and send the invitation
- If this time slot is not already booked for this person, you both will receive a notification via email and on the platform itself
- All the prearranged meetings will appear automatically in your user account
